TV Booster Makes All TV Sets Work Better

Improve TV reception! Our wonderful new device can improve reception from any TV antenna now available to consumers anywhere. For the first time you can enjoy really high class viewing at really low cost. This wonderful new device called TV BOOSTER will cost you nothing to run. No operating expenses whatsoever. Uses no electricity. Completely safe and it never wears out. Once applied you never have to see or touch it again. For the best reception you've ever seen at next to no cost, we guarantee greatly improved results. All stations in your viewing area can be better seen and you'll get the clearest pictures you have ever dreamed possible, sold on money back guarantee!

Give Your TV Set A Boost

You spent a fortune on your set and are spending even more repairing it. Every single year your TV repair bill gets larger. Every single year your reception gets worse, and worse, and worse. Is this a vicious cycle? No! Too often it's the fault of your TV antenna! If you live indoors, you probably have a cheap three-foot long rabbit ear antenna. With the two three-foot long pieces of wiring sticking out unsightly like a rabbit's ears. If you own your own home or live in an apartment you probably have a so-called large antenna on top of your roof, the cost to install it was probably about one third over and above the cost of your set or about \$100.00 And so what happens? Along comes a storm and down comes the poor antenna, after the storm you turn on your set and the whole mess with hazy pictures is back again maybe worse!

Now: New Living TV Viewing

There is something that will help. Think of it. For years you've had to see washed out hazy pictures on your TV screen but now you can use an antenna that's not 3, not 30, but hundreds of feet long. Now don't get alarmed. Your antenna is already in your house. The wires in the walls will give your TV a boost you want and need so badly. All you need to put your house wiring to work for you is a little time, about two minutes. On magnificent simple device called TV BOOSTER can do this for you at an amazing low price of \$4.95. Use the wires in the walls of your home or apartment to boost your TV reception.

Start Using Electronic Components That Put Pleasure Into TV Viewing!

The wiring in your home spreads out in every direction and can be put to work for you. These wires in your home pick up radio and TV signals from all directions in the same manner that radar picks up signals from thousands of miles away, it makes a wonderful TV booster.

Start Getting Maximum Pulling Power From Your Housewiring with TV Booster! Or Your Money Back

It works on any year, make or model TV set ever made. We guarantee you must be 100% satisfied or you get every cent back! It must boost your TV reception or your money back.

Amaze Your Family With Super TV Reception

To connect the TV BOOSTER to your set takes only about 2 minutes and a screwdriver. You don't even get your hands dirty. You simply plug it into the nearest electric socket and connect its wires to your set and it's connected forever—anyone can do it. Just unscrew your present antenna wires. Slip on the wires of TV BOOSTER and plug in its cord. Use your TV antenna and your TV BOOSTER. Now turn on the weakest channel, try reversing the plug and leave it in the socket in the way you get the clearest brightest picture. That's all there is to it! Every other channel will show you an amazing difference from pictures you have seen before—you will enjoy better sound, and more living pictures than you have ever seen before. You'll begin to enjoy living TV better than you've ever dreamed possible or you get every cent

back. Try it—you are the sole judge. Your money back if not thrilled with results.

From The Latest Advancement In Radar Electronic Research To You, The Tops In TV Boosters!

Now with the latest developments of Electronic Radar Research comes breath-taking TV reception — Living so wonderful you'll say you can't believe your eyes. Send today for the miracle TV BOOSTER that will improve all television sets and turn them into Living TV. TV BOOSTER is sold only by mail and is not sold in stores. Don't delay—try it on our money back guarantee—send for it Today, Mail Coupon Now.

Here Are Just a Few of the Men I've Turned into Atlas Champions!

Five Inches of New Muscles

Take a good honest look at yourself! Are you proud of your body or are you satisfied to go through life being just "half the man" you could be?

NO MATTER how ashamed of your present physical condition you may be—how old or young you are—you have the DORMANT muscle power in your God-given body to be a real HE-MAN. Believe me, I know because I was once a 97-pound HALF-ALIVE weakling. People laughed at my build . . . I was ashamed to strip for sports . . . shy of girls . . . afraid of competition.

Then I discovered the secret that changed me into "The World's Most Perfectly Developed Man." The secret I have shared with thousands of fellows to turn them into marvelous physical specimens — REAL HE-MEN from head to toe!

My Secret Builds Muscles FAST!

My Secret is "Dynamic Tension." It's the NATURAL easy method you can practice right in the privacy of your own room — JUST 15 MINUTES EACH DAY — while your scrawny chest and shoulder muscles swell so big they almost split your coat seams . . . you get sledge hammer fists, a battering ram punch . . . ridges of solid stomach muscle . . . mighty legs that never tire!

NO theory. No gadgets or contraptions. When you develop your strength through "Dynamic Tension," you can laugh at artificial muscle makers. You simply use the SLEEPING muscle-power in your own body almost unconsciously every minute of the day — walking, bending over, even while sitting! — watch it increase, and multiply until you're covered with a brand-new suit of beautiful SOLID MUSCLE. You're a REAL HE-MAN!
